

Zumigo Company Profile

Zumigo is on the frontline of digital identity verification that helps the world's largest enterprises protect transactions, devices and accounts. With a multi-layer approach, Zumigo validates users against a unique digital identity intelligence network that spans global carrier providers, third-party data analytics and databases, and payment information.

Zumigo's award-winning solutions help businesses verify and authenticate consumers across the entire digital journey to reduce fraud, streamline experience, and build trust.
